

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter, the researcher writes the conclusions of the research results and suggestions to the parties involved in this research.

A. Conclusion

Based on the results of the research and discussion, it can be conclude that:

1. The professional competence of English teacher and English language and literature teacher based on the students' perception of eleventh grade is in the very good category. It means, that the English teacher and English language and literature teacher have good competence.
2. Based on interview research with students, in some cases such as the development of learning media such as YouTube, sometimes it makes students bored. So that the researcher proposes the topics of the development program. The proposed topics, such as "I am a Creative Teacher", "I am a Great Teacher", "I am a Technology Literacy Teacher", "I am Today's Teacher", the proposed topics for the development program that the researcher proposes, may be taken into consideration as a follow-up to the results of this research.

B. Suggestion

Based on the research results, the following will present some suggestions:

1. For MAN 1 Kota Cilegon

For MAN 1 Kota Cilegon, it can arrange development program topics based on students' perceptions of the professional competencies of the teachers.

2. For Other Researchers

Other researchers can look for more references in order to strengthen the content, are expected to conduct in-depth observations and interviews and are expected to use different research methods.
