

STATEMENT OF ORIGINALITY

Herewith I declare that the research paper I wrote as a partial fulfillment of the requirements for the degree and submitted to the English Education Department, the Faculty of Education and Teacher Training wholly constitutes my own original scientific writing.

As for the other persons' works whose ideas are quoted in this paper have been referred to appropriately in accordance to the prevailing legal and intellectual ethic in the world of scientific writing tradition.

However, if the originality of this paper either partially or wholly is, later on, proved or it falls under convincing plagiarism, I would be prepared to receive any consequences in the form of any sanction such as losing my related academic degree obtained from the institution as well as other rules prevailing in Indonesia.

ACKNOWLEDGMENT

All praise and gratitude belongs to Allah, who has given the writer his everlasting mercies and blessings throughout her life and provided the writer knowledge which supports her to finish this research. Peace and blessing of Allah may always be upon the prophet Muhammad, who has brought Islam to us as the light that changes us to be better humankind.

In the middle of COVID-19 pandemic, schools are closed for indefinite time which affects the writer in completing her research. However, with the strength and blessings from Allah, the writer can complete her research as one of requirements for gaining bachelor degree. The writer also admits that the research would have been possible without the support and assistance of some individuals. Therefore, the writer wholly acknowledges all the supports of these wonderful people who dedicated their help for the success of this research.

Firstly the writer would like to express her sincere gratefulness to her much-loved family; especially her parents, Bapak Muhamad Apendi, also Ibu Entin Suhartini for their continuous and incomparable love, prayers, and support. Then the writer wants to express her thanks to her beloved brother Gilang Pramudia and Alif Radhitya Khinandra, who always being a good brother for the writer. In addition, she also would like to show her

appreciation as well as honors to Mrs. Ila Amalia, M.Pd and Mrs. Dr. Hj. Selnistia Hidayani, M.Pd as her advisers, for the countless support, guidance, patience, and meaningful feedback upon the writer in completing this research.

Additionally, the writer also wants to show her greatest appreciation and thanks to:

1. Dr. H. Abdul Muin, S.Ag.,M.M, The Head of Department of English Education.
2. Dr. Hj. Anita, S.S., M.Pd, The Secretary of Department of English Education.
3. All lecturers in the Department of English Education for their insightful knowledge, motivation, experiences, and inspiration throughout the classes. Those values and knowledge will be manifested by the writer throughout her life.
4. Kelik Widjonarko, S.Pd, The Headmaster of SMA Mandiri Balaraja for trusting the writer to conduct the research at his school.
5. Melissa Nur Anisa, S.Pd, The English teacher at SMA Mandiri Balaraja for her guidance, inspiration, insight, and encouragement.
6. All cheerful students of class XI MIA and IIS major SMA Mandiri Balaraja at for their kindness and effort to participate in the research.

7. All of the writer's beloved friends in the Department of English Education 2015, especially for all member of Excellent Class.
8. The writer's incredible friends, Rezi Nur Alisa S.P, and Nur Shofwatun Nida for the endless support and encouragement to the writer.
9. All members of EXO and EXO-L INDONESIA have accompanied and encouragement during this final project.
10. The writer's also would like to thank Kunto Aji who has composed the Twitter "Rehat" as the healing Twitter which helps the writer's mood to finish this thesis.
11. Everyone whose name cannot be mentioned one by one for all the contributions they have given for this research.

Last but not least, the writer acknowledges the limitations and deficiencies on her research. Therefore, constructive feedbacks and suggestions are kindly welcomed for the better writing. The writer hopes her research can be useful for its readers and further research.

ABSTRACT

Reka Pernanda. SRN: 152301907. 2021. "Students' Perception in Using Twitter to Learn English" (*A Survey Research of Second Grade Students at SMA Mandiri Balaraja*).

This research aimed to find out the students' perception in using Twitter to learn English. The objective of this research is focused to find out the students' perception in using Twitter to learn English. In this research, the researcher conducts a quantitative research with survey method. The participants of this research were one hundred forty seven (147) students on second grade. The data of students' perception in using Twitter to learn English were obtained by questionnaire and interview. The questionnaire data was collected by Google Form. The result of the research shows that most of students agree about the use of Twitter to learn English can influence the students' English skill especially in reading, writing, and language elements. It can see from the percentage of the questionnaire answers that show about 58% of students answered agree to the statement Twitter can improve reading, 70.8% answered agree about Twitter can improve students writing skill, 68% answered agree to statement Twitter can improve vocabulary, and 55% answered agree Twitter can improve grammar. From this result, the researcher concluded that students' perception in using Twitter to learn English is positive.

Key Words: *Students' perception, Twitter, learn English*

THE ADVISERS' APPROVAL

This is to certify the undergraduate research paper of
