A Trip

Orientation: Yesterday, my family and I went to the National Zoo and Aquarium to visit the new Polar Bear Cubs and the other animals.

Events: In the morning, when we got to the Zoo and Aquarium there was a great big line, so we had to wait awhile to get in. After we entered the zoo, we went straight to the enclosure for the Snow Cubs. My brother and I were so excited to see them. They were so cute and playful. After that I saw other animals such as elephants, tigers, eagles, peacocks, and some pelicans. At lunchtime, Dad decided to cook a barbecue. He cooked sausages so we could eat sausage sandwiches. Mom forgot the ketchup so we had to eat it plain, but the taste of the sausage sandwich was good because we were very hungry after tired of playing. In the afternoon, we visited the aquarium. My brother was very happy to see the sharks and tropical fish. The view of the aquarium is very good, my family and I take turns to take photos in front of the aquarium, then after that we take photos together.

Re-orientation: At the end of the day when we left we were going to go and get ice cream but we decided we were too tired so we drove straight home. I really enjoyed this family trip. I can spend time with my family and also learn about animals at the same time.

Assalamualaikum Warahmatullahi Wabarakatuh. Hello, my name is Nur Uswatun Hasanah. I will tell you about my sad experience. I have a memorable story from when I was eight years old. On pretty hot day, I borrowed a rickshaw's friend. I climbed it on a fairly high incline. But then I fell into the grass and cried. Then I told my mom that I fell from the rickshaw. From that moment, I fell scared when riding a rickshaw. That's my story, thank you.

Assalamualaikum Warahmatullahi Wabarakatuh. Hello, my name is Nurul Zahra. I will tell you about my terrible experience when I was a child. At 3 years old, at night me and my brother played hide and seek in front of my house. I'm the guard and I looked for my brother. I looked for him in car because I heard my brother's voice there and I got into the car

but no one was there. After I realized, I was unconscious after they wanted me to look for him never come and they look for me and it turned out that I fainted in the car. I was immediately taken to the house. In the house I told them I fainted and was given know by my mother reorientation, I don't this story to repeat itself.

Assalamualaikum Warahmatullahi Wabarakatuh. My name is Nisa Indah Fauziah. I will tell you about my sad experience in holiday. At that time, my friend and I wanted to take a vacation to an outbound place in the

Bogor area, me and my friend had left early in the morning so the place was still quiet. After arriving at the destination, it turned out that the place was closed. My friend and I were disappointed because the place was closed, so after that I just ate at a nearby cafe. We have lunch of fried rice and drink avocado juice. Then my friend and I went back home. It was my sad holiday.
