

CHAPTER V

CLOSING

In this chapter, the writer describes the result of the research and also gives some suggestions that are hoped to be useful for education and the next research.

A. Conclusion

Moana's movies is an effective strategy in improving students' vocabulary to the eighth-grade students of SMPN 1 Ciomas in the academic year 2021/ 2022.

According to the analysis of the study in Chapter IV, teaching vocabulary by using movie was appropriate to be implemented in the classroom. It shows from the result of t-test formula to test the hypothesis of this study in the significance degree of 5% (0.05) is $t_0 > t_{table}$ ($0,617 > 0,05$). Besides, it can be seen from the comparison between the average gained score of experiment class which was 10.5 points, higher than the average gained score of control class which was only 9,5 points. Therefore, the alternative hypothesis (H_a) was accepted. It means that there was a positive effect of movie on students' vocabulary achievement. Moreover, after calculating the data to know how significant the effect is, then the result showed that the

effect of movie towards students' vocabulary achievement is moderate. It can be concluded that the answer of research question is proven that movie is success to enrich students' vocabulary achievement at the eighth grade students of SMPN 1 Ciomas.
