ACKNOWLEDGMENT

In the name of Allah, the Merciful, the Compassionate

There is no valuable words to be said but all praises be to all praises to be Allah, the almighty God, who has sent Muhammad, Peace be upon him, to be His prophet and messenger for people all over the world. The writer realizes and feels very sure that without His blessing, mercy, and guidance, it would be possible for me myself to finish the paper.

Here with I would like to express her profound gratitude, more than she can express, to Dr. Hj. Selnistia Hidayani, M.Pd., my first advisor, thank also go to Afif Suaidi, S.s., M.Hum., my second advisor, for the correction and invaluable critism. In addition, also very much indebted to Dr. H. Anita, S.S., M.Pd., the Head of the English Education Department and Siti Sa'diah, M.Hum., the Secretary of the English Education Department.

Last, but far from least, I very sincere thanks especially go to my own beloved parents namely Mr. Mu'innudin and Mrs. Sam'iyah and my beloved sisters, and all of those who have helped me, who are not mentioned personally here, without their patience, guidance, and cooperation this thesis could never been written.

ABSTRACT

Firdha Laila Ramadhanti. 191230060. 2023. The utilization duet challenge tiktok to improve students speaking skills in SMK 17 Cilegon, This study aims to know about teaching strategy so how the students speaking skills before and after using duet challenge tiktok and what kind of speaking element is the most dominant after using duet challenge tiktok in SMK 17 Cilegon The method of the research used quashi experimental by applying Interview and test (pretest and posttest). The teachers and students of SMK 17 cilegon were the participants in this research.First, the reseacher were interview the teacher asked teaching strategy learning speaking, and then the pre-test and post-test were implemented to determine the students' speaking Skills and to know what the element speaking skill is the most dominant after using duet challenge tiktok. The rubric was designed according to the aspect of speaking skills to assess the students' skills. The results are showed the teacher teaching strategy in speaking using forum group discussion and then of the post-test showed that the students' scores rapidly increased and were better than their pre-test and pos-test . results of the t test showed tt was 4.41 while t0 at a significance level of 5% was 1,672 In short, statistical tests show that t > t0 or 4.41 > 2.392. In the degree significance 5% = 1,672 in degree of significance 1% = 2,392. After that the researcher compared the data with t_t (t table) both in degree significance 5% and 1%. Therefore t_o:t_t = 4,41 > 1,672 in degree of significance 5% and t_o:t_t = 4,41 > 2,392 in degree significance 1%.
