ABSTRACT

Suza Atha Ulayya, 181230012. 2022. “The Effectiveness of Using Discord Application For Student’s Speaking Skills (An Experimental Research of the eleventh grade at SMA Islamic Centre Kota Tangerang)”

This research is conducted to investigate the effectiveness of discord application to improve student’s speaking skills, at SMA Islamic Centre Kota Tangerang. The researcher collected the data from 60 students that spared into two classes. Population of this research was the eleventh grade students of SMA Islamic Centre, academic year 2022/2023. The sample of the research used class XI IPS 1 as an experimental class and XI IPA 3 as an control class. The method that is used in this research was quantitative method and also used quasi-experimental research design with use the instruments were three stages are pre-test, treatment, post-test. The result of the research is the mean score of experimental class was 46,9. After using discord application, the mean score increase to 66,03. The data analysis is using t-test the value of t_0 or t_{test} is 4,586 and the degree of freedom (df) was 58. Based on the result, it can be seen that H_a is accepted because $t_{observe}$ is higher than t_{table} . It conclusion that discord application is effective to be applied in teaching speaking and based on t-test, using discord application has significant effect towards students speaking skills in senior high school.
