ABSTRACT

Fadhilah Maulidia. 191230078. 2023. Improving Action Verb Understanding on Procedure Text Through Word Wall Media.

The study aims to improve action verbs Understanding on procedure text through "word wall" media on IX grade of SMPN 3 Tanjung Batu in academic year 2022/2023. The research questions are can word wall media improve the action verbs Understanding in procedure text on 9th grade of SMPN 3 Tanjung Batu or not? And What are the difficulties that are encountered by the ninth-grade students of SMPN 3 Tanjung Batu before being taught using the media? The target population of this research is the ninth-grade students of SMP N 3 Tanjung Batu consisting 21 students and 11 males and 10 females. This research is using pre-experimental, one group pre-test post-test design. In pre-experimental research, the instruments used in this study were Pre test and Post test and the research subjects were students of SMP Negeri 3 Tanjung Batu. The results of the pre-test and post-test were analyzed using the SPSS V.26 application and it was found that there is a significant influence of using word walls toward students' action verbs on procedure text verbs at ninth grade of SMP Negeri 3 Tanjung Batu. Posttest results showed an increase after treatment, the difference is seen in the pre-test score of 10.5 and 15.00 post-test. This shows an increase in the average score of student acquisition after being given treatment using word wall media with an average score difference of 4.95 and an average standard deviation of 1.431 with a significance of 0.00. Based on the provisions of drawing conclusions that have been determined that the alternative hypothesis (H_a) is accepted because the significance is $<$ of 0.05 which means that there is a significant influence of using word wall on students' action verbs on procedure text in the ninth grade of SMP Negeri 3 Tanjung Batu.

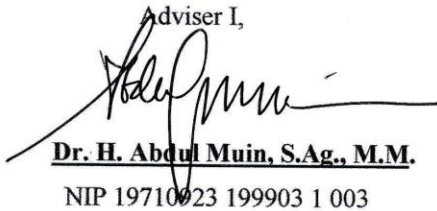

Key words: Word Wall, Action verb, English vocabulary Understanding.

DEDICATION

I dedicate my work to my family and many friends. A special feeling of gratitude to my loving parents, Olan, and Ani whose words of encouragement and push for tenacity ring in my ears, my sisters and brother, and another special thanks to my very dear sister, Riri, whom helped me throughout this whole process of me achieving my bachelor degree. I also dedicate this thesis to many friends of mine who have always supported me. From the bottom of my heart, I will always appreciate all the loves, times and support. Especially to Dinda and Ila for always supporting me and looking out for me. Thank you for sticking by my side through my ups and down while I was abroad because of college. I will always remember your kindness and cherish all the moment that we have spent together. I hope in the future we look up at things different, see the bigger pictures, and all the hard work will eventually pays. May in the future I see you guys in much of a better place.

I also dedicate this work and give special thanks to my best buddy whom I have always considered as my very own sister, Alya. Even though we have taken different paths and traveled different roads, just know that I will always be grateful for you. Thank you for always giving me such a courage to continue doing good in life, to love to lose and still be kind. Thank you so so much.

MOTTO
