ACKNOWLEDGMENT

In the name of Allah, the Merciful, the Compassionate

There are no valuable words to be said but all praises are to all praises to be Allah, the almighty God, who has sent Muhammad, Peace be upon him, to be His prophet and messenger for people all over the world. The researcher realizes and feels very sure that without His blessing, mercy, and guidance, it would be possible for me to finish the paper.

Herewith I would like to express my profound gratitude, more than she can express, to Dr. M. Noor Anzali, M.Pd., my first advisor, thank also goes to Afif Suaidi, S.S., M.Hum., my second advisor, for the correction and invaluable criticism. In addition, also very much indebted to Dr. Nana Jumhana, M.Ag., The Dean of the Faculty of Education and Teacher Training, Dr. Hj. Anita, S.S., M.Pd., the head of the English Education Department, and Siti Sa'diah, M.Hum., the Secretary of the English Education Department.

Last, but far from least, her very sincere thanks especially go to my beloved parents namely Mr. Suhemi and Mrs. Nurasiyah, and all of those who have helped her, who are not mentioned personally here, without their patience, guidance, and cooperation this thesis could never be written.

ABSTRACT

Sucita Ramdani. 191230116. 2023. An Analysis of Students Writing on Personal Experiences on Twitter. (*A Qualitative Descriptive at the Tenth Grade of SMKN 3 Kota Serang*).

This research to analyze students' writing about recount text threads on Twitter. This research was to find out how is students' quality recount text and to find out how can thread Twitter help students' writing recount text better. This research used qualitative descriptive methods. The instruments used in this study were documentation and rubric. The research subjects were 5 students' from class X DKV1 SMKN 3 Kota Serang who wrote personal experiences on Twitter threads. To analyze the data, the researcher identified errors in students' essay writing which were categorized according to the Jacobs et al. and placing scores in the writing score criteria table.

The results showed that students' writing skills were at the Excellent level with an average score of 82.2. Based on the table rubric, 1 out of 5 aspects of student writing is at the Excellent To Very Good level, this aspect is organization with an average score of (19.2). While 3 aspects are included in the Good To Average level, namely Content (25), Language Use (18.6), and Vocabulary (15.6). Then, the results of the analysis show that students make the most mistakes in terms of mechanics with an average score of (3.8) and at the Fair To Poor level. Furthermore, Twitter threads can help students write recount text well from step-by-step threads that help students make it easier to write generic structure recount text. Twitter thread media in writing recount text also makes student work visible to others.
