

## STATEMENT OF ORIGINALITY

I declare that the research paper I wrote as partial fulfillment of the requirements for the sarjana degree and submitted to the English Education Department, the faculty of Education and Letters, wholly constitutes my original scientific writing.

The other persons' works whose ideas are quoted in this paper have been referred to appropriately following the prevailing legal and intellectual ethics in the world of scientific writing tradition.

However, if the originality of this paper, either partially or wholly, later on, is proved, it falls under convincing plagiarism. I would be prepared to receive any consequences in the form of any sanction, such as losing my related academic degree obtained from the institution as well as other rules prevailing in Indonesia.

## ABSTRACT

**Radhika Putri Febriyadi**, 181230031. 2023. The Effect of Demonstration Method on Students' Speaking Skill.

The aim of this study is to determine the effect of demonstration method on students' speaking skill. The study is conducted based on the problems: 1. How is the students' speaking skills before using demonstration method? 2. How is the implementation of demonstration method on the speaking skills of class X students of SMKN 6 Kota Serang? 3. How is the effect of demonstration method on students' speaking skills? The researcher used experimental method and collected from 57 students who were divided into two classes, X Akuntansi as experimental class and X TKJ as the control class. The data were collected using pre-test and post-test. Then the scores of the two classes were analyzed using the t-test. Based on the results of statistical calculations at a significance level of 5%, namely 1.67 and the result to = 7.13. That is, the results of the t-test show that  $t > t_t$  or  $7.13 > 1.67$ . This means that the t-test shows the alternative hypothesis ( $H_a$ ) is accepted. In other words, it can be concluded that there is a significant effect of the demonstration method on improving students' speaking skills at SMKN 6 Kota Serang.
