## ABSTRACT

**Vina Soaraya Andini.** SRN. 191230075. The Influence of Murder (Mood, Understand, Recall, Digest, Expand and Review) Strategy Toward Students Speaking Skill.(An Experimental Research at The Eight Grade of SMP Negeri 1 Cikande in Academic Year 2022/2023)

This Research investigates the influence of Murder strategy toward students' speaking skill. This research was to find whether Murder(Mood, Understand, Recall, Digest, Expand and Review) strategy may enhance students speaking ability. This research used quasi experimental group of pre-test and post-test design and quantitative research method. The instrument used in this research was test (pre-test and post-test). This research involves 30 students as a sampling among eight grade of SMP Negeri 1 Cikande year 2023 as population. Furthermore, from the hypothesis test, it is known that the significance test by comparing t-count and t-table in this study can be determined using the t distribution table at a significance of  $0.05/2 = 0.025$  (two-tailed test) with  $df = n-2$  or  $df = 30-2 = 28$ , and get a table of 2.048. With the test criteria  $t\text{-count} > t\text{-table}$  or  $-4.024 > 2.048$  at a significance level of (a) 5% then  $H_0$  is rejected and  $H_a$  is accepted or there is a significant influence on students' speaking abilities by using Murder strategy. Based on the result above, it can be concluded that Murder Strategy can be used in teaching speaking. The result of this research shows that the students' speaking skill using Murder strategy achieve better performance than those who do not use it.

Key words: *speaking, Murder strategy.*

## MOTTO

Maybe right now your journey isn't about love.

Maybe right now your journey is about you. Maybe this is the season you are being challenged to be your own savior, to be your own safe place. Maybe right now you are being reminded — that the people who walked away were only ever leading you back to yourself, were only ever leading you here. And here, you are okay on your own. Here, you are rebuilding. Here, you are adapting, and mending, and reclaiming all of the pieces you let them walk away with. Here, you are being kinder to your soul, you are giving yourself the same kind of love you have always given to others.

Here, you are not rushing your heart, you are not depending on another human being to fix it. Instead, here, you are doing that on your own.

Here, you are healing.

*Long story short, I survived*
