

ABSTRACT

Name: **Aang Efendi**, NIM: **113100060**, Title: **Jihad dalam Perspektif Front Pembela Islam (FPI)**, Department: **philosophy of religion**, Faculty: **Ushuluddin, Da'wah and Adab**, Year: **2016/1437**

Today has been a lot of events that befall the Muslims and their religion. Islamic holy marred by people who are not responsible. Islamic religion is regarded as a source of inspiration perpetrators. Cases of suicide bombing, for example, often defined as a form of jihad actions derived from Islam. And here it is necessary to encourage the alignment of the wrong meaning of the meaning of jihad. By seeing this phenomenon, the authors are interested in doing this research. To discuss the study refers to the Qur'an, Al-Hadith and also the organization of the Islamic Defenders Front (FPI).

Based on the above background, it can be formulated with the following issues: 1. How does the existence of the Islamic Defenders Front (FPI) in Indonesia? 2. How is the concept of Jihad dalama perspective of the Islamic Defenders Front (FPI)? 3. How does the concept of jihad by Ulama Banten? This Peneiltian has the objective to determine the existence of the Islamic Defenders Front (FPI) in Indonesia, to know the concept of jihad in prspektif Islamic Defenders Front (FPI), and to know the concept of jihad Ulama Banten.

The research design used is descriptive qualitative approach, the analysis method used is the method of documentary. Then the authors collected data taken from the author of books related primary and secondary discussion. Primary data as the principal source is taken from the Quran, the Sunnah of Rasul and special books that discuss jihad. The secondary data is a source of support and as a supplement only in the discussion of this jihad. Then the data collected classified and then be reviewed to ensure it is correct.

After doing the research, which will be done is an inescapable conclusions could present a general idea of the meaning of jihad, FPI is an organization that beraqidahkan Ahlus Sunnah Wal Jama'ah, that the concept of jihad is commanding the good and forbidding the evil, while jihad is FPI maknakan has two meanings. The first meaning of jihad in the general sense is using all its capabilities to uphold the religion of Allah. in this context the meaning of jihad has a very broad scope of work luas that jihad includes various sectors of the cause of Islam, such as power jihad, jihad oral, liver jihad, jihad worship, science jihad, jihad treasure, a living jihad and so forth. Second, the meaning of jihad in a special sense, is fighting in the cause of Allah to destroy the enemies of Islam and at the same time uphold the word of Allah SWT.
