

CHAPTER V

CONCLUSIONS AND SUGGESTION

A. Conclusions

Based on the research, entitled “The Effectiveness of using Write Pair Square Technique toward Students’ Writing on Descriptive Text” at the first grade of SMPN 2 Petir Serang, the researcher concluded:

The first, the students’ writing on descriptive text at first grade of SMPN 2 Petir Serang before given the treatment is low, while the students’ score after given the treatment was high, and the use of write pair square technique more effective on writing descriptive text than the students who were taught without using write pair square technique.

The second, this result shows that the value of *t-test* (4.31) was higher than t_{table} (1.99) at the significance level 5% it means that the Null Hypothesis (H_0) was rejected and the Alternative Hypothesis (H_a) was accepted. Therefore, write pair square technique is effective on improving students’ writing skill on descriptive text at the first grade of SMPN 2 Petir Serang.

B. Suggestions

Based on research and collected data, the researcher tries to give some suggestion related with teaching learning process. The suggestions are for the teacher, students, school and the future research.

a. For the teacher

1. The teacher who directly involved to the teaching-learning process suggested chooses the variation media or strategy of teaching-learning process.
2. The teacher should be able to use various and interesting strategy, technique, and media in teaching learning especially in teaching writing activity.
3. English teacher may use this technique (Write Pair Square) when they teach especially in writing descriptive text.

b. For the students

1. The students have more spirit and more motivated by the use of learning medias.
2. The students should memorized vocabularies, it is useful to help students in writing descriptive text.

c. For the school

1. The school should be more supported of teaching learning especially in English lesson.
2. The school pay more attention to media that is needed for students to learn with fun.

d. For the future research

For the next research, the writer hopes they would conduct the investigation of other teaching medias that can be applied by teachers.
