ABSTRACT

Fitroh. 181230122. 2023. The Effectiveness of English Conversation in Youtube Channel English Class101.com to Improve Students' Speaking Skill (A Quasi Experimental Research at the Eleventh Grade of SMAN 3 Kota Serang).

This research is conducted to investigate the effectiveness of english conversation in youtube channel English Class101.com to improve students' speaking skill at the eleventh grade of SMAN 3 Kota Serang. The research is conducted based on some problems: 1.How is the students' speaking skill before and after using English Conversation in youtube channel English Class101.com?. 2.What is the effectiveness of using English Conversation in youtube channel English class101.Com to improve students' speaking skill?. The researcher collected data from 60 students that spared into two classes, one class as an experiment class and another one as a control class. The researcher used a quasi experimental research design. The result of this research indicates the effect of using english conversation in youtube channel English Class101.com to improve students' speaking skill. The effect of treatment seen from the post-test results of the experimental and control class an average of $70,2 > 52,5$, the value of the degree of freedom or $df = 58$, the value of (t_o) or t -observation = $14,04$ in the degree of significance $1\% = 2,39$, and in the degree of significance $5\% = 1,67$. Therefore, $t_o : t_t = 14,04 > 2,39$ in degree of significance 1% and $t_o : t_t = 14,04 > 1,67$ in degree of significance 5% . And the effect of this treatment is 77% , which means that there is a significant effect of using english conversation in youtube channel English Class101.com to improve students' speaking skill.
