

## CHAPTER V

### CONCLUSION AND SUGESSTION

#### A. Conclusions

1. The research's conclusion, which was derived from the computation of the data, indicated that using the movie Minions: The Rise of Gru as a medium to improve students' vocabulary mastery had a significance degree of 5% for the t-test result in the hypothesis test. the outcome based on the pre- and post-test scores. Pre-test mean scores for the experimental class were 51,96, whereas the control class's pre-test mean was 53,57. The experimental class's post-test score was 82,39, while the control class's post-test score was 73,43. The hypothesis test used independent t-test, the result of this research showed that  $t_{\text{count}} > t_{\text{table}}$  ( $2,115 > 1,680$ ). It means that  $t_{\text{count}}$  was higher than  $t_{\text{table}}$ . So, the null hypothesis ( $H_0$ ) is rejected. It means alternative hypothesis ( $H_a$ ) is accepted.
2. The researcher conclude that there is any effectiveness of Minions The Rise of Gru movie as a media to to enhance students' vocabulary mastery at the eleventh grade of MA Al- Fathaniyah Cipocok in academic year 2023/2024.
