ABSTRACT

Farhan. 181230191. 2023. The Relationship between Students' Interest in Playing Mobile Legend Games and Their English Vocabulary Mastery.

This research was conducted to test the relationship between students' interest in playing mobile legend games and their English vocabulary mastery of the eleventh grade students of SMAN 8 Kota Serang in academic year 2023/2024. To accomplish the goal of this research, 79 students involved to take part as sample of this research. The aim of this study is to find out the correlation between students' interest in playing mobile legend and student vocabulary mastery. In addition, questionnaire and vocabulary test were used as research instruments to obtain data. The result of this research reveals that students' interest in playing mobile legend had moderate relationship with students' English vocabulary mastery. It was reflected on statistical conclusion by using IBM SPSS which showed that r-count higher than r-table ($5,117 > 0,504$) at the significance level is 0,00 which means lower than 0,05. So it can concluded that null hypothesis (H_0) was rejected and alternative hypothesis (H_a) was accepted. Furthermore, the contribution of students interest in playing mobile legend towards students' English vocabulary mastery was small. There was 25,4% contribution of students' interest in playing mobile legend on students' English vocabulary mastery. Meanwhile, the rest can be affected by other factors.

A BRIEF BIOGRAPHY

The researcher of this paper namely Farhan. The son of Mrs. Khamrah and Mr. Jumadi and was born in Serang, July 5th 2000. He live in a little village Kp. Rencalang – Tanara, Serang Banten. On his elementary school he was study on MI Al-Islamiyah 3 Kedaung finish at 2012, and continue in MTs. Ashabul Maimanah Junior High School from 2012 - 2015 at the same place on the elementary school, and also next on senior high school in SMA Al-Husna Kedaung still on same foundation with junior high school and he finish the study until 2018.

Next, on his education journey when he was graduated from senior high school, He was decide to pending the education for one year because he want to work first for getting money in order to be join international scout event in Jogja. But until he work for one month the event did not take place because the Merapi mountain was erupted on July 2018. So, then he think again and decide to continue his study on collage and choosing UIN SMH Banten for the study. So many things researcher learn in this campus inside or outside, with his lecture or friend on community. The researcher join UKM Pramuka (scout) because love this organization even he was on junior high school. On UKM Pramuka the researcher was get place for Pemangku Adat Ambalan on 2020, and as Commander of Unit Protokol on 2021. Also join English Student Association on 2019-2020. And then he decide to join selection of UIN SMH Banten Campus Ambassador and get as a winner for Boy Campus Ambassador of UIN SMH Banten and automaticaly choosing

as chief of Paguyuban Duta UIN SMH Banten for 2021-2022. When on this position the researcher try to build some new of Ambassador on Faculty and Major like FEBI, FSAINS, Fisika, Biology and etc. and also was as a talent on PCMB Short Movie in collaboration with Humas UIN Banten at 2022.

And when he study on this college, he achive some award outside of campus as a Grand Finalis of Kang Nong Kabupaten Serang on 2020, Indonesian Maritime Favorite Ambassador on 2021, Winner of BPOM Ambassador on 2022, and Pemuda Berprestasi Kabupaten Tangerang on 2022. And for now still as a public speaker, MC, Host, and event presenter for my work and daily life.

The Researcher hope a little of this biography can be motivated the reader for building up skill not just only when you study in classroom but you also can get outside from classroom. The little achive and award researcher dedicated for his campus, his parent and also for the researcher it self to skiling up, make value of life and make name of campus it's getting better.
