ABSTRACT

Ade Wirdatus Sholihah. SRN: 191230149. The Influence of Learn English Grammar Application Toward Students' Grammar on Recount Text (*A Quasi-Experimental at 10th Grade of MAN 1 Kota Tangerang*). 2024.

This study aims to determine how the *Learn English Grammar application* affects students' grammar on recount text, especially in tenses of grammar. A quantitative research method with a quasi-experimental design was used in this research. It was conducted in the tenth grade of MAN 1 Kota Tangerang. The population consisted of 80 students from two classes. Using the purposive sampling method, the two classes namely X AGAMA 1 as the control class and X AGAMA 2 as the experimental class were selected as the sample of this study with each class consisting of 40 students. In collecting the data, the researchers used instrument tests, multiple choice with fill-the-blank recount text as test forms were used in this study. The tests were then distributed in two ways; 1. Pre-test was distributed before treatment: 2. Post-test was distributed after the treatment. Furthermore, the data was analyzed by using SPSS 23 with an independent t-test as a hypothesis test. After the data was analyzed, it can be found a significance value (2-tailed) of $0.000 < 0.05$. It means that the alternative hypothesis (H_a) was accepted and the null hypothesis (H_0) was rejected. Therefore, it can be concluded that there was a significant effect on improving students' grammar in recount text using the Learn English Grammar application.

Keywords: *Learn English Grammar application, Students' Grammar and Recount Text.*

DEDICATION

I dedicate this research paper to: My very beloved parents, Mr. Dedi Rusmadiharja and Mrs. Siti Marwah, who always prayed and were patient in the process of preparing this thesis, who always supported, and motivated, and were always there during both happy and sad times. Then, for myself. I was able to fight until the end to complete my final college assignment with all the processes that went through. Next, to my beloved siblings, namely Qonita Rahmi, Faruqi Amrullah, Imam Darmawansyah, and Dewi Vivi Khofifah who always support, help, and encourage me for the positive things I do. Apart from that, I to my cousins and my beloved friends whom I cannot mention one by one for the time and happiness they gave me during the difficulties I went through. Thank you very much for fighting and doing your best.

MOTTO

Allah does not burden a person but according to his ability.

(Qs. Al-Baqarah:286)

So, be patient with you (Prophet Muhammad)! Indeed, Allah's
promise is true.

(Qs. Ar-Rum:60)

So, indeed with difficulty, there is ease. Indeed, with difficulty there
is ease.

(Qs. Al-Insyirah: 5-6)

-Whatever is your destiny, will find its way to find you.

-How noble is knowledge, that even those who don't have it claim to
have it. How despicable is stupidity, that even those who have it
don't want to admit it.

(Ali bin Abi Thalib)

“Effort, prayer, and trust.”

Life can be heavy, especially if you try to carry it all at once,
part of growing up and moving into the new chapter of your life is
about catch or release, what I mean by that is, knowing what things
to keep and what things to release, you can't carry all things, all
grudges, decide what is yours to hold and let the rest go. ~Taylor
