

## STATEMENT OF ORIGINALITY

Herewith I declare that the research paper I wrote as a partial fulfilment of the requirements for the Sarjana degree and submitted to the English Education Department, the Faculty of Education and Letters wholly constitutes my original scientific writing.

The other persons' works whose ideas are quoted in this paper have been referred to appropriately following the prevailing legal and intellectual ethic in the world of scientific writing tradition.

However, if the originality of this paper either partially or wholly is, later on, proved or it falls under convincing plagiarism, I would be prepared to receive any consequences in the form of any sanction such as losing my related academic degree obtained from the institution as well as other rules prevailing in Indonesia.

## MOTTO

Then when they have almost reached the end of their waiting period, either retain them honourably or separate from them honourably. And call two of your reliable men to witness either way – and let the witnesses bear true testimony for the sake of Allah. This is enjoined on whoever has faith in Allah and the Last Day. And whoever is mindful of Allah, He will make a way out for them. And provide for them from sources they could never imagine. And whoever puts their trust in Allah, then He is sufficient for them. Certainly Allah achieves His Will. Allah has already set a destiny for everything.
