

## STATEMENT OF ORIGINALITY

At this moment, I declare that the research paper I wrote as a requirement in taking a Bachelor's Degree and submitted to the English Education Department, Faculty of Education and Teacher Training, is the original owner of this scientific work I made.

The proper citation was made by accepted legal and ethical standards in the scientific writing tradition for the other people's work whose ideas were quoted in this paper.

However, I would be ready to face any penalties, including the loss of my related academic degree from the institution and other regulations that apply in Indonesia, if the originality of this paper is shown to be either partially or entirely true, proven, or it is found to be plagiarism.

## ABSTRACT

**Khaerun.** SRN. 201230047. 2024. "The Analysis Of Spinning Wheel Application In Learning Vocabulary" ( Qualitative Research Of Eight Grade At Mts Al Rahmah Walantaka)

**Abstract :** The study aims to analyze the use of spinning wheel application in students' vocabulary mastery and the impact of the spinning wheel application on students' vocabulary mastery. The study uses a qualitative descriptive design with interview and test as data collection instruments, By taking 31 respondents from class VIII A Mts Al Rahmah Serang City. The data analysis steps in this research are divided into three procedures; data reduction, data presentation, drawing conclusions. The research findings show that in terms of interview results regarding the use of spinning wheel application, it is found that the category is Good with a percentage of 98,75%. it means that the use of spinning wheel application is very useful to use in increasing students' English vocabulary mastery. in terms of test results, it shows The student's vocabulary score is 74.19%, It has passed the test and the impact of spinning wheel application can increase students' vocabulary mastery. As a result, selecting quality media will enhance classroom instruction and encourage student participation, enthusiasm for learning, and close relationships between students and teachers.
