ABSTRACT

Amelia Damayanti, 191230008, 2023. The Implementation of Cooperative Learning Two Stay Two Stray (TSTS) Technique to Improve Student's Reading Comprehension on Descriptive Text (Classroom Action Research at Seventh Grade at Mts Nur El Falah Kubang in academic year 2022-2023).

This research improving the implementation of TSTS technique to improve students reading comprehension. This research was to determine whether Two Stay Two Stray (TSTS) cooperative learning technique may enhance students' reading comprehension of descriptive texts. This research used classroom action research method and was conducted in two cycle. The instrument used in this research was observation checklist and test. This research involves 32 students as sample among seventh grade of Mts Nur El Falah Kubang year 2023 as population. As shown from the result that score mean score of test cycle 2 ($\bar{x} = 80,31$) was better than cycle 1 test ($\bar{x} = 64,03$). In addition, the result of the observation showed that the students more motivated in learning English, especially in reading subject when using TSTS technique during teaching learning. Based on the result above, it can be concluded that TSTS can be used in teaching reading comprehension on descriptive text.

Key words: Classroom Action Research; reading comprehension; TSTS technique.

DEDICATION

This research paper is sincerely dedicated to my beloved family especially for my mom in heaven **almh. Tri Harjanti** and my beloved brother **Wahyu Aryadi Putra and Anggit Haryanto** who encouraged and inspired me in conducting this study. They have never left my side throughout the process and gave me strength and hope when I thought of giving this up. They provided me a great sense of enthusiasm and perseverance in continuing this. Without their love and assistance, this research would not have been made possible.

Moreover, to my grandfather **Sutamin Tjipto Harjono** who already gave the love of a father that i didn't get when i was a child, to my aunt and uncle, **Ari Istanti and Jenal Arifin** who have become my second parents after my father and mother for cheering up for me, and to my friends who have helped me in finishing this project especially **Dewi Ramayanti**. I really appreciate your words of advice and in continuously giving me moral, emotional, and financial support.

And lastly, I dedicate this research paper to the Almighty God who gives me strength, wisdom, guidance, power of thinking, security, competence, and for giving me good health while doing this. All of these, I offer to you.
