

CHAPTER V

COUNCLUSION AND SUGGESTION

A. Conclusion

In this chapter, the researcher presents the conclusion and suggestion following the finding of the study.

Daarul Hikmah Islamic Boarding School offers a variety of English-speaking conversation programs, including vocabulary, conversation, daily conversation, correction language, speech, drama, making sentences, and composition. These programs are based on interviews, observations, and documentations gathered for this research. And there are divided into two kinds of English-speaking program such as: main program and supplementary program.

The main programs are those that directly produce speaking within the programs, making them appropriate for speaking abilities. These include the vocabulary or giving vocabulary program, the conversation program, the daily conversation program, the speech program, the drama program, and the correcting language program.

There are some problems found at students in speaking English at Daarul Hikmah Islamic Boarding School, that are lack of motivation, lack of vocabularies, and Besides that, the problem that faced by the teachers is they could not control the students for 24 hours, especially while they are stay in

their own room and around the dormitory because they had a lot of activities at the boarding school.

There are some strategies used by students and teachers to overcome the problems in daily speaking English conversation program at Daarul Hikmah Islamic Boarding. For students, such as giving motivation through question and answer every Friday morning after sport session to overcome students' lack of motivation, giving vocabularies program (students will get 14 new vocabularies every week) to overcome students' low of vocabulary, and speech delivery and daily conversation to overcome students' low of confidence.

B. Suggestion

Based on the result of the study, the researcher puts some suggestions to the following parties:

1. For the students

a. The general students

The researcher expects to students to practice more especially in speaking English and minimize the mistakes in practicing speaking.

b. The students of Al-Mawaddah Islamic Boarding House

The result of this research can be used by students of Al-Mawaddah to improve the language program more. The existence of this program is to train the students of AlMawaddah to speak English well and confidently.

2. For further researcher

The result of this research could be developed more by further researcher. Then, the researcher expects to further researcher to develop this research better.
