

## **STATEMENT OF ORIGINALITY**

I hear with declare that the research paper I wrote as partial fulfillment of the requirements for the Sarjana degree and submitted to the English Education Department, the faculty of Education and Teacher Training wholly constitutes my own original scientific writing.

As for other persons' works whose ideas are quoted in this paper have been referred to appropriately in accordance to the prevailing legal and intellectual ethic in the world of scientific writing tradition.

However, if the originality of this paper either partially or wholly is, later on, proved or it falls under convincing plagiarism,

I would be prepared to receive any consequences in the form of any sanction such as losing my related academic degree obtained from the institution as well as other rules prevailing in Indonesia.

### **ABSTRACT**

This research aims to improve students' pronunciation through repeated reading on narrative text. The main problem is whether repeated reading on narrative text can improve students' pronunciation. The researcher uses a classroom action research and uses O'Leary's Model as follow plan, act, observe, reflects. The subject of this research is the second grade of junior Islamic high school (MTs. Anwarul Hidayah) and the researcher collaborate with the teacher. This research focus on students' pronunciation, because students' pronunciation in this school is weak, so the researcher uses repeated reading as method to be applied to students especially for the second grade students' pronunciation of MTs Anwarul Hidayah. The data collected by the test. The results of this research are cycle I result is 276, and cycle II result is 335. In this research, the researcher can conclude that repeated reading on narrative text is improve students' pronunciation of the second grade of junior Islamic high school at MTs Anwarul Hidayah Ciputri-Menes in academic year 2018-2019.

*Keywords: Repeated reading method, students' pronunciation*
