**The Researcher**

**Natasya Yohana**

Natasya Yohana, 2019, “ Exploring Students’ self-confidence on their speaking skill subject student of Al-Hidayah Islamic Boarding School at the first year students senior high school Rangkasbitung in 2019”( Undergraduate Research Paper, Department of English Education, Faculty of Education and Teacher Training, The state Islamic University of Studies, “ Sultan Maulana Hasanuddin Banten”).

### **ABSTRACT**

This reserach investigates the Exploring students’ self-confidence on their speaking skill, specifically students self-confidence in speaking English from students senior high school at Al-Hidayah Islamic Boarding school Rangkasbitung in 2019/2020. This research is conducted based on the main problems 1) How is the first year students senior high school in Al-Hidayah Islamic Boarding School ’ self-confidence in speaking ?. 2) What effort are made by the English teacher to improve students’ self-confidence?.

To answer the question, the researcher collect the data from 20 students. The researcher gives the questionnaire for students’. And questionnaire consists of ten questions that must answered by the students’. Since the reserach the researcher uses qualitative research. The data is collected through interview between the researcher and the English Teacher.

The result of the research that has been done in the first grade of senior high schooll at Al-Hidayah Islamic Boarding School in Rangkasbitung most of students have with low confidence compared with students with high confidence is caused by several factors such as do not enjoy learning English, Lack of Sel-confidence, fear of making mistakes, Shyness, Luck of motivation, Luck Vocabulary. The characteristics students with high confidence such as tehere are enjoy in Learning and speaking English, use eye contact when speaking, they are ambitious, they have learned communicate. And there are some effort are made by the English teacher to improve students’ self-confidence in speaking such as teracher actions to improve students self-confidence, Tecaher strategies in teach English, Teacher method in English teaching.

In reference to the result of the study, the writer recommends, especially in Exploring students’ self-confidence on their speaking skill, the students must try and try to speak English dont be shy, dont think about your mistakes in grammar or in pronunciation at speaking English. Because by accustomed to practice speaking English, your gramar and pronunciation will get better.

## **DEDICATION**

Firstly I am grateful to Allah SWT who chose me to be born from a stronger mother and responsible Father who was educated me from young until now. This paper was dedicated to my beloved parents ( Edi Zulakernaen dan Marlina ) who always provide support in the form of motivation and material never stop praying for the sake of my success. Thank you mom and dad i was felt the luckiest child to have parents as great as my mother and father. I also say thank you to the supervisor lecture for all the knowledge taht you given to me during process of making ths research.

With deep love, Padil supardi the second greatest man who always gives enthusiasm in every complaint when i have begun to give up in this research. And the last thank you very much for my English Education friends who cannot be mentioned on by one, wich one they always gives encouragement and share experiences and provide input when i have started to get confused doing this research.

## **MOTTO**
