

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

In this chapter, the writer would like to conclude of the research based on the data obtained and the hypothesis submitted at the previous chapter as follow:

1. Student's vocabulary skill before using english movie at tenth grade of MA Miftahul Huda. The result score of experimental class pre-test the avarenge score was 61,66. The highest score was 80, and the lowest score was 40. The result of control class pre-test the avarenge was 49,5. The highest score was 80, and the lowest score was 25
2. Student's vocabulary skill after using English movie for experimental class at tenth of MA Miftahul Huda. The result score of post-test, the average score was 75,83. The highest score was 95 , and the lowest score was 60. Student's vocabulary skill without using English movie. The result of

post-test, the average score was 62,83, the highest score was 90, and the lowest score was 30.

3. Base on the data statistic the t_o is 3,66. Therefore $t_o : t_t = 3,66 > 1,67$ in degree of significance 5% and $t_o : t_t = 3,66 > 2,39$ in degree significance 1%. It means that H_a (alternative hypothesis) of the result is accepted and H_o (null hypothesis) is rejected. It can be said that using English movie has significant effect to increase student's vocabulary mastery at the tenth MA Miftahul Huda Tigaraksa, Tangerang.

B. Suggestion

Based on conclusion above, it can be delivered some suggestion that might be useful. The suggestion are for teacher and students. As a follow:

1. For Teacher
 - a. The writer hopes to be the one of some alternative in improving students' vocabulary mastery by using English movie.

b. In studying vocabulary at the classroom, the teacher is hoped more creative in teaching students to increase teaching learning process and make students active in learning.

1. For Students

a. The students should read a lot of English text, in comprehend text students should be good at vocabulary, oral comprehension skill and fluent decoding skill.

b. This strategy makes students in different atmosphere, students can use rhythm and relaxation in their reading activity.

2. For other researcher

The writer hopes that this research could be one of the references in conducting some research for better result.
