CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

Based on the analysis of the data in the previous chapter, the writer can make conclusion about an analysis of students’ ability in writing recount text as follow:

1. Based on the result of the analysis, students ability on writing recount text is low. The writer found that there are four students got extremely good score, ten students got good score, nine students got fair score and eleven students got low score. The highest score of students’ writing score is 85 while the lowest is 34. It means that mostly students got low score than high.

2. The writer found that the students’ problems on making writing recount text those are: they lack of vocabulary so that they unable to write a recount text in English well. Mostly Students cannot translate some word of Indonesian into English. The students felt difficulty in the diction and the use of spelling, the writer also found there are many students made error in using punctuation and capitalization. The students found difficulty
to express their ideas in writing. Their grammar knowledge is still very minimal, especially in using simple past tense.

Several factors that affect students’ weakness in making writing recount text are the students are lazy to study and to use the vocabulary in their daily activity. The students are less in doing exercises. The teacher is less of giving motivation.

B. Suggestion

As a closing report of this research, the writer would like to contribute some suggestion to be hopefully considered as a good input for further learning of writing. The suggestion from the writer as follow:

1. Suggestion for the teacher

   a. The teacher must increase students’ vocabulary to increase their ability when writing a recount text in English.

   b. The teacher must give more activities in writing text and give learning motivation.

   c. In every activity given, the teacher must give feedback on writing for the students.

   d. To enhance the quality of students’ writing, it is necessary for the teacher and students to evaluate the errors that their faced in recount writing.
2. Suggestion for the learners
   a. The students should practice English repeatedly in school or at home to enhance the ability in using grammar and vocabulary in writing activity.
   b. The students are suggested to read a lot of English book to increase the knowledge of English especially in writing recount text.
   c. The students have to enrich vocabulary to improve their writing ability. It can be done by reading English text, such as newspaper, comic, magazine, etc.

3. Suggestion for the next researcher
   a. For the next researcher especially the students of IAIN Banten, this paper can be references to do the next research in other field.
