

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

A. Conclusions

After analyzing the research findings, the writer concluded about this research. The writer discusses the types of illocutionary acts in A Turtle Tale sammy's Adventures movie script, as the writer has mentioned the type of illocutionary act in Searle's theory. The writer found the types of speech acts used by the main character in A Turtle Tale sammy's Adventures Movie Script is an illocutionary acts that consist of representatives, directives, commissives, and expressives as much 218 utterances.

Meanwhile, in A Turtle Tale Sammy's Adventure Movie Script does not have a vulgar meaning, because this film is watched by young children, and this film has a good moral message for children.

B. Suggestions

Based on the data description in the previous chapter, some suggestions are aimed at teachers, students, and the next researcher, such as:

1. For the teachers

The speech act can be use by teachers when doing teaching and learning process in classroom to greeting the student, to asking absent, to giving direction, asking information, command, and etc.

2. For the students

This thesis can be use by Students to get some knowledge especially the type of speech act, the type of speech act can be use in their environment especially in school, university or classroom to expressing their feelings, expressing opinions, asking and giving information, giving direction, expressing apologinge, greeting the teacher, and etc.

3. For the next researcher

For the next researcher this thesis can be use as material researcher in the future, especially for English Education Department student faculty of Education and Teacher Training The State Islamic University of Sultan Maulana Hasanuddin Banten, because research on speech act is very useful for us to understand about the utterances that used in daily communication.

The writer hope this thesis can be useful for everyone to gain knowledge and use as reference for the future researcher.
