

BAB V

CONCLUSION AND SUGGESTION

A. Conclusion

In this chapter, the researcher would like to conclude the research on the basis of the data obtained and the hypothesis described in the previous chapter as follows :

1. The students ability in English vocabulary at the fourth grade of MI Nurul Falah Cadas.

In general, the real condition of the students vocabulary enrichment at the fourth grade of MI Nurul Falah Cadas is low. While conducting the pre-test, the researcher found some difficulties in learning vocabulary. Such as, there are some students difficult to remember vocabulary and less attention of the lesson. The lowest score was 40 and the highest score 80, and most of the students failed the test. Then, the result after giving treatment it can be proved from the result of post test the lowest score was 60 and the highest score was 95.

2. The influence of jazz chants on students' vocabulary

This research showed that using jazz chants as media in teaching vocabulary has significant influence to improve students' vocabulary. the application of jazz chants made the teaching and learning process interesting, fun and the students easy to understand to add some vocabularies. Moreover the implementation of applying jazz chants also could motivate the passive students to be more active in learning process. It could be seen from the mean score of pre-test 63,75 it is higher than mean of post-test 78. Then researcher compared it with data statistic the score of $t_{\text{observation}} = 8,67$ is higher than t_{table} . at degree significant 5% was 2,09 and at degree significant 1% was 2,86. It means that alternative hypothesis (H_a) is accepted and the null hypothesis (H_o) is rejected. The researcher concludes the students' English vocabulary could be developed by using jazz chants. It means the media was effective in students' vocabulary enrichment.

B. Suggestion

Based on the conclusion of the study, the researcher gives some suggestions as follows :

1. For the students

- a. The students should be more active and focus to the explanation given by teacher.
 - b. The students should enhance their vocabulary by reading a book, watching movie or listening music.
2. For the teachers
- a. The teacher of English is important in enhancing the quality of teaching and learning by using interesting media to enhance students' vocabulary.
 - b. The teacher should give clear explanation and give more example of new vocabulary to the students'.
 - c. The teacher can use jazz chants as media in teaching vocabulary because it can be motivate students in learning vocabulary, and make the students easy to memorize vocabulary because the media is interesting.
3. For the next researcher
- a. The next researcher it is hoped to use and develop this media by adding the comparison of English vocabulary or using this media in the other english learning such as speaking, listening, reading, and writing.
