ABSTRACT

Herlina Susanti. 161230133. 2020. Applying Social Media Facebook To Develop Student Writing Skill . (Descriptive Qualitative Research at Non Majoring English Education Department of Faculty Education and Teacher Training State Islamic University Sultan Maulana Hasanuddin Banten).

There are many activities that participants can do to develop their English language. One of them by writing something on their social media Facebook. All participants can express their ideas on their social media Facebook account. Applying social media Facebook is the activity most often done to develop their writing. Writing is importantly needed for the participants to allow them to communicate with others, especially for Non English Education students. Applying social media Facebook is one type of media that utilizes authentic material as a media for learning English, especially in writing. This research aims to know the application of social media Facebook in writing activities. This research used qualitative method, the instrument used in this research was document analysis and interview. The participants of this research were students from Non English Education Department of Faculty Education and Teacher Training State Islamic University Sultan Maulana Hasanuddin Banten.

Keywords: social media facebook.writing.
