

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter, the researcher presents the conclusion and suggestion following the finding of the study. The first section is the conclusions of the research finding and the second is the suggestion dealing with the objectives of teaching and learning process.

A. Conclusions

Based on the result of the analysis which is conducted to identify the statements of the problem stated in the first chapter, the researcher makes conclusion that can be seen as follows:

1. The implementation of school literacy movement at SMPN 1 Kota Cilegon is good but still must be developed. The school has already designed some programs of literacy. Based on the interview with the vice principal of SMPN 1 Kota Cilegon, there are five programs which has already done by the school, Firstly, Reading non-academic book for 15 minutes before the lesson. Secondly, daily reading journal. Thirdly, Providing reading corner. Fourthly, creating environment that rich of texts such as poster, x-banner, literacy showcase, gallery of students' works, and so forth, and the last, books exchange program.

2. Based on the findings, the researcher gives some advices to enhance the school literacy movement, such as public involvement, language week, Literacy Clinic, Ambassador of Literacy, and Literacy Tour.

B. Suggestions

According to the conclusions above, the writer would give some suggestions as follow:

1. For School :
 - a. The School must have programs in enhancing student's literacy which is not make the students bored such as literacy tour, Literacy Clinic and Language Week.
 - b. For helping the teacher in monitoring the student's activity, there can be an ambassador of literacy (a group of students as a role model of literacy at that school)
2. For the Teacher :
 - a. The teacher must be more active when monitoring the students in the program of enhancing the literacy.

3. For the Students :
 - a. Based on the findings, the researcher find that some students do not serious in following this program. So that, the student must realize that literacy is very important.
4. For the Next Researcher :
 - a. For the next research relating to this topic, there are still many aspects which can be analyzed about this program. Finally the researcher hope the result of this study may be used as early information to conduct further researches.
