ABSTRACT

Sifhana Aristanti, 2020. Directive Speech Acts Analysis on WHO's Speech. Undergraduated Research Paper, Department of English Education, Faculty of Education, and Teacher Training, The State Islamic University, "Sultan Maulana Hasanudin" Banten. Adviser: Dr. H. Naf'an Tarihoran, M.Hum. and Drs. H. Busthomi Ibrahim, M.Ag.

This research designed to find out an analysis of directive speech acts on WHO's speech. This research oriented on the following aims: 1) To know what are the kinds of Directive Speech Acts found in WHO's Speech. 2) To know what are the forms of Directive Speech Acts found in WHO's Speech. The writer conducted this research using qualitative-descriptive methods. To investigate of the research, the writer retrieves raw data in the form of original speech that has not been changed at all from the WHO's official website with the following link: <https://www.who.int/dg/speeches>. The next step, the writer will give a number code to each sentence in the speech. The author will create a category table of the speech acts directive. The last step was categorizing the data based on directive speech acts classification's table. The result of this research show that there are fourth-teen data of command, the percentage is 48.27%. Three data of order, the percentage is 10.34%. Two data of suggestion, the percentage is 6.89%. The last is warning, the percentage is 34.48%. Finally, the total directive speech acts in the speech is 7.565%. It means, the speech that the writer analyzed has many Directive Speech Acts.

Keywords: *Directive Speech Acts, Speech, WHO.*

ACKNOWLEDGEMENT

First of all, I say my gratitude to Allah SWT, the All-Merciful, Most Merciful Lord of the Universe. Because with His help, I have successfully completed this paper as one of the requirement the Sarjana Degree of English Education Department, Faculty of Education and Teacher Training State Islamic University Sultan Maulana Hasanuddin Banten.

Second, may sholawat and salam always given to Great Majesty of the Prophet Muhammad SAW who guided human from the darkness to the lightness.

However, this achievement would not be reached without support, pray, guidance, advice, motivation, help, and encouragement from various parties, both from individual and institution. I say my deepest gratitude for:

1. Prof. Dr. H. Fauzul Iman, MA, the rector of State Islamic University Sultan Maulana Hasanuddin Banten.
2. Dr. H. Subhan, M.Ed, the Dean Faculty of Education and Teacher Training State Islamic University Sultan Maulana Hasanuddin Banten.
3. Dr. H. Abdul Muin, S.Ag., M.M. the Head of English Education Department Faculty of Education and Teacher Training State Islamic University Sultan Maulana Hasanuddin Banten.
4. Dr. H. Naf'an Tarihoran, M.Hum. as the first adviser and Drs. H. Busthomi Ibrahim, M.Ag. as the second adviser who has educated, supported, guided, and given the writer advice, suggestion, recommendation and chance to this graduating paper for beginning until the end.
5. All of the lecturers in English Department and all of the staff who helped the writer to finished this paper administration

6. My beloved parents Budi Setiawan A.Md. and Neneng Azizah as the first encouragement. My big family who always support and given what the writer needs.
7. My younger brother, Muhammad Febrian, who always give me strength and courage to finishing this paper.
8. My younger brother, Muhammad Raihan, who always give me strength and courage to finishing this paper.
9. All friends in English Education Department.
10. All friends from TBI-A, thanks for all the time and experience. Especially for them who always openly give me an information and explanation for my question. They helped and support me in finishing this paper.
11. My big thanks for my beloved best friend who always there for me, helps me in my troubles many times.

Finally, the writer realizes that the paper is still far from the perfect. But, the writer hopes this paper will be useful, especially for the writer itself, next for any readers or researchers. The writer would like to accept any suggestions to correct the weakness and mistakes of the paper.
