

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

Based on the result of research at chapter IV, the researcher can take conclusion of students' perception on the use of Kahoot game in learning grammar at ninth grade of MTS Sabilu El-Muhtadin Pandeglang.

The research finding from interview, most of respondents stated the use Kahoot games are not good. The students' who think that learning grammar through Kahoot game does not give maximum results, because it is difficult for students to understand the teaching materials given by the teacher. However, there are also a number of things that can make it easier for students to do the teaching and learning process through Kahoot games such as collecting assignments.

There are some factors that can support in the use of kahoot game for learning grammar as follow:

1. Adequate media

Students are difficult to understand the material because kahoot media used smartphone or laptop to access it but in this school the student are forbid to use smartphone or laptop.

2. Internet network

Internet network is not able to use in this media because the internet network is bad.

B. Suggestion

Based on the result of the study, there are suggestions that can be consideration to the students':

1. For the students

Suggestion for the students, the result of this research hopefully students' can interact more with the teacher so that they have no difficulty in teaching and learning activities.

2. For the teacher

Suggestion for the teacher, I hope the research the teacher can provide more motivation so that students can be more active in learning. Teachers should also reconsider the media teaching and learning process because of the difficulty of students understanding the subject matter.

3. For the school

Suggestion for the school, hopefully this research can be use full to anyone reference in increasing the researcher knowledge to students' perception on the use Kahoot games in teaching of English at at ninth grade of MTS Sabilu El-Muhtadin Pandeglang. The school should make a policy to use other better media.
