

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

In conclusion, the five videos from “Learn English with TV Series” YouTube Channel that are analyzed by the writer: English with TV Series: Joey’s Perverted Tailor (Friends), Learn English with TV Series: The Big Bang Theory, Learn English with Friends: The Friendly Finger, Learn English with Movies: Will Smith - The Pursuit of Happiness, and Learn English with Harry Potter and the Chamber of Secrets contain three English learning steps. From the video content analysis shows that the methods used in this channel is a mix method from Audio Visual Method, Audio Lingual Method, and Task Based Language Teaching (TBLT). The platform used and the name of this channel strengthened the Audio Visual Method used in this channel, because all of the videos in this channel using TV Series, Movies, or TV Shows as a media learning in their videos.

Furthermore, the structure of all videos shows that the video educators or the founders of this channel using same pattern in the way they teaching on the videos by using three steps learning: Watch, Study, and Live It. In “Live It” steps, there is a quick multiple choice that shows this channel also uses TBLT method. The learning media used by this channel

such as: TV Series, Movies, or TV Show make this YouTube channel learning videos interesting to watch and follow.

Moreover, because YouTube can be utilized in the English classroom to help learners improve their listening, speaking, pronunciation, and vocabulary skills, among other things. YouTube is a type of tool that can be used to learn the English both inside and outside of the classroom, learners may find a lot of native speakers with excellent pronunciation. This channel also gets a lot of positive feedback for their performance in teaching English using TV Series through the YouTube Channel they have built, and also opened paid courses on their official website which were enthusiastically welcomed by students.

B. Suggestion

There are suggestions for teachers and learners from the writer. Suggestion for the teachers is to watch and prepare a good activity from the videos as an inspiration for teaching to be more relevant to the character of today's young people, so that the learning process will feel more fun and the learning material also easier to understand. If teacher uses a video as a learning material, teacher should make sure that the learners know the vocabularies of the videos so that they will not find any difficulties in understanding the videos.

Moreover, suggestions for learners are that "Learn English with TV Series" YouTube Channel can be used as source of learning English to

improve understanding ability from native English speakers without getting lost, without missing the jokes, and even without subtitles. Because this channel will teach how native speakers really speak, with dynamic English lesson, full of humor, jokes, and real life examples of English pronunciation, vocabulary, cultural tips, and grammar. So learners might be able to learn English from digital media that can be accessed anytime and everywhere.
