

## **STATEMENT OF ORIGINALITY**

Here I declare that the research paper I wrote as a partial fulfillment of the requirements for the Sarjana degree and submitted to the English Education Department, the Faculty of Education and Teacher Training entirely constitutes my new original scientific writing.

As for the other people's work whose ideas are quoted in this paper have been referred to appropriately in accordance to the prevailing legal and intellectual ethic in the world of scientific writing tradition.

However, if the originality of this paper either partially or wholly is, later on, or it is proven to be plagiarized, I am prepared to accept any consequence in the form of a sanction, such as losing my related academic degree obtained from the institution, as well as other rules in Indonesian.

## ABSTRACT

**Junita Ariandini.** 171230010. A Morphological Analysis of Compound Words in Novel “Mutual Feelings” by Billy Taylor.

This study analyzed the compound words that most found in the novel “Mutual Feelings” by Billy Taylor. Compounding is a common type of word formation in English. Compounding consists of combination of two or more words. They can function as different part of speech, which can dictate what form the compound takes on. To know the process of word formation on English compounding words, also the types and forms of compounding words that most found in novel, the writer conduct descriptive qualitative research and content analysis method. This study cassifies the data on compounding word, focused on types and forms of compounding words, and analyze the types and forms of compounding words. The result of this study is for the types of compound words, there are 13 endocentric compounds, 10 exocentric compounds, and 7 copulative compounds. Furthermore, for the forms of compound words, there are 9 compound words that written by open, 12 compound words that written by solid, and 9 compound words that written by hyphenated. In addition, the result of this data, the types of compound words is dominated by endocentric compound, and for the forms of compound words is dominated by solid forms.

*Keywords: compound words, novel, types and forms of compound words.*
