Analyzing Students' Learning Style in Learning Procedure text inspired by Cooking Mama game

ABSTRACT

This research revealed the analysis of students' learning style in writing procedure text. Since Indonesia implementing Merdeka Kurikulum, the teacher had been demand to be able to manage different characters of students, especially in learning style. In this study, the major objectivity was to know students' response in the context of writing procedure text module and its learning style. In this particular The researcher applied the use of sequential explanatory design, mixed method. In which both quantitative and qualitative data are combined to deeply comprehend findings. The sample chosen purposively in number of 32 students and also an in number of 96 Population in SMPN 2 Mancak, Serang district. The result in quantitative aspect, in which there are three main domains, how Cooking Mama game impacting the students writing of procedure text, in which the total score was 778 or 81,04%. The second, about the beneficial in using Cooking Mama game in writing procedure text it has the impression 541 or 84,2% . Last is about how the game can be a differentiation which the score learning media to determined the students' learning style about 795 or 82,8% . It is also supported by the qualitative data as mentioned that Cooking mama game appropriately match with the learning style of student whether it is auditory, visual, or kinaesthetic

Keywords : Cooking Mama game, Procedure Text, Learning Style.

FOREWORD

Alhamdulillah, thanks be to the presence of Almighty God who has given His mercy and grace to the author so that he can complete this thesis research assignment well. I Myself convey the prayers and greetings only to our figure and example, Prophet Muhammad SAW.

The author's aim in making this thesis research is one of the step to get magister degree. The completion of this research created by the author went through many processes, obstacles, hurdles and all sorts of things, thanks to the support of various parties, so that the author was able to complete this research quite well. Therefore, on this occasion the author would like to express her deepest gratitude to the parties who have helped in the preparation of this thesis research

The author is aware that there is still a lot in making this research, due to this the author wants to express her deepest apologies for the imperfection of the thesis research that the author has made. And as a writer, the Author really hopes for constructive criticism and suggestions, for the sake of improvement in future assignments.

Hopefully, by making this thesis research, the author hopes that everyone, especially those who read this research, can be a learning discourse to everyone related to this field.
